Dear Sir:

Now comes the undersigned, Attorney of Record in the present application, who avers as follows:

Applera Corporation is the owner of the entire right, title and interest in and to the invention claimed and disclosed in the above-captioned patent application by virtue of assignment.

Applera Corporation hereby disclaims the terminal part of any patent granted on the above-captioned application, which would extend beyond the expiration date of the full statutory term, as presently shortened by any terminal disclaimer, of any patent issuing from U.S. Patent Application No. 10/462,742, filed June 17, 2003, and any patent issuing from U.S. Patent Application No. 10/620,333, filed July 17, 2003, and hereby agrees that any patent so granted on said above-captioned application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent issuing from U.S. Patent Application No. 10/462,742 and any patent issuing from U.S. Patent Application No. 10/620,333, this agreement to run with any patent granted on the above-captioned application and to be binding upon the

grantee, its successors or assigns.

Applera Corporation does not disclaim any terminal part of any patent granted on the above-captioned application that would extend to the full statutory term, as presently shortened by any terminal disclaimer, of any patent issuing from U.S. Patent Application No. 10/462,742 and any patent issuing from U.S. Patent Application No. 10/620,333 in the event that any said issued patent later: expires for failure to pay a maintenance fee; is held unenforceable; is found invalid; is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a); has all claims canceled by a reexamination certificate; or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Respectfully submitted,

MERCHANT & GOULD, P.C.
